SECTION 1 - GENERAL INFORMATION

1.1 INTRODUCTION

1.1.1 The Oceanside Unified High School District (OUSD) is requesting Statements of Qualifications (SOQ) for selection of one firm to provide Geotechnical Investigations/Materials Testing Services.

Services for the project may include, but are not limited to:

- Geotechnical engineering – including subsurface exploration, fault hazard assessment, laboratory testing, geotechnical engineering evaluation, structure seismic loading geotechnical report preparation.

1.1.2 Consultants shall be selected, on the basis of written responses to this Request for Qualifications and Proposals (RFQP) and an interview. Term of this agreement will be one (1) year with potential for four (4) 1-year extensions, not to exceed a total of five years.

1.1.3 Under this RFQP the Agreement is known as “The Agreement”.

OUSD and Consultant agree that no specific quantity of work is guaranteed to be provided to Consultant under the terms and conditions of this Agreement.

OUSD does not guarantee that Consultant will be assigned any other projects during the term of The Agreement.

1.1.4 Consultant shall provide all services required by, and in accordance with The Agreement and such other necessary and incidental services that are required to provide professional services for the project(s).

1.2 TYPE OF PROFESSIONAL SERVICES

1.2.1 The consultants must demonstrate the ability to produce studies, reports or other required documents and products. The consultants are to demonstrate a familiarity with the Division of State Architect’s (DSA’s) application and certification processes. Consultants must also coordinate with other team members (including other design professionals, such as architects and construction managers) as required for a successful project. (*Refer to Section 3.1 Minimum Requirements*)

1.3 RFQP ISSUING OFFICE

1.3.1 RFQP is issued by the Oceanside Unified High School District, Bond Program Management. A copy of this RFQP may be obtained by downloading it from OUSD’s website at <http://oside.k12.ca.us>
