The Oceanside Unified School District is soliciting Geotechnical Investigation Services proposals for the following public works projects.

### Project Names:

- **North Terrace ES Geotechnical Investigation Services #809-754**

### Scope:

Geotechnical engineering – including subsurface exploration, Geologic hazard assessment in accordance with California Geologic Survey Note 48, laboratory testing, geotechnical engineering evaluation, structure seismic loading geotechnical report preparation. Perform site soils investigations and create an initial and final project Geotechnical Report to fulfill the technical data needs of the Architectural/Structural design team and development of Construction Drawings and Specifications. The District will include the report as a construction bid package exhibit as well.

**Selection Process:**

1. RFP distributed on **Tuesday September 27<sup>th</sup>, 2022**, to Geotechnical Investigation Services pool, as the firm selected through the RFQ process, with project scope, budget, and corresponding attachments.

- Attachment 1- AERIAL SITE MAPS

**NOTE:** The total amount will be one proposal for 3 sites. Please be sure to break out costs for each of the 3 sites per the Projects listed on page 1 and total the sum.

2. Non-Mandatory Job Walk/Site Visit with interested Engineering firms on **Tuesday October 4<sup>th</sup>, 2022, starting at 9:00am**

**NOTE: If you are not interested in participating, please notify us prior to the Non-Mandatory Job Walk/Site Visit**

3. RFIs between Geotechnical Investigation Services pool and OUSD due by **Friday October 7<sup>th</sup>, 2022 @ 11am**

4. Proposals due by **Tuesday October 18<sup>th</sup>, 2022 @ 2:00pm**

5. Notice for selected Geotechnical Investigation Services Firm will be sent **the week of October 24<sup>th</sup>, 2022**
