**Prepared By:**

Andrea Norman, Ed.D.  
Associate Superintendent of Business Services

**Background**

OUSD has a need to replace the HVAC system at the Truax Performing Arts Complex at El Camino High School that has exceeded their life expectancy.

**Analysis**

Requests for bids were advertised in the newspaper and trade journals and sent to the district's prequalified contractors holding the appropriate license under formal bid 2022-21-067B. Bids were received from one (1) qualified bidder. However, the staff has rejected all bids due to the proposed costs being significantly over budget. Due to the rejection of all received bids, this bid will be reopened at a later date.

**Funding**

No cost to the district
